OFFICE TALK

A construction site is often a mess and very hazardous. Before the foundation can be laid an adequate sized hole has to be dug. The ground is precarious. Tools are often left lying around and a fence or caution tape is put up to warn passerby's to "stay out!"

Our life operates much like ground zero before we meet Christ: messy, dangerous and unattractive. In the book of Romans 3:23 it says "for all have sinned and fall short of the glory of God". While ground zero is certainly not appealing it is a starting point or base for

construction to begin. The Bible says that if we confess our sins He is faithful and just to forgive us.

Life is messy and often times none of us feel like we have it together. There is hope, however, in placing your trust in Jesus Christ. He sees beyond our ugliness and rubble. He created us with purpose, a plan and with gifts to carry out His plan for us.

This month we will explore ground zero together. We will sift through the rubble of our sin and recognize our need for our Saviour Jesus Christ.

Terry Fox Run

Last week we participated in the Terry Fox School Run. We were able to raise \$160 toward cancer research! What a great day to be outside and raise money for such a worthy cause.
