NEWSLINE #21 **March 4, 2021**

As I was confined at home earlier this week, a regular Newsline was not sent home. Here is a "mini Newsline" with some important info.

Online Auction:

Bidding continues until **Friday, March 5 at 8pm**. Get your last minute bids in to scoop up your prize!

Tuition Assistance:

Any families who plan to return next year and are interested in Tuition Assistance, please contact Rachel Goodreau at rgoodreau@wallaceburgchristianschool.com. You will be sent a link to the FAST tool that we use for tuition assistance applications. Thank you.

Prescreening your Children

Please remember to prescreen your children **every day** before sending them to school. These stricter rules come from the Province of Ontario and our Public Health Unit; we are required to abide by them. New or worsening symptoms that cannot be explained by what is normal for your child, requires the child and siblings to stay home until one of three things: negative Covid test on the one with symptoms OR alternate diagnosis by a health care professional OR ten days isolating at home. Also, if another member of the household is experiencing symptoms and is waiting for a test result, children must stay home. Details were sent home via email last week. If you have any questions, please contact the office, I'll be happy to answer them.

School Tours for New Families

If you know of families who are interested in attending Wallaceburg Christian School next year, please have them contact the office to make an appointment for a school tour on Thursday, March 11. Thank you.

Word of Mouth Campaign

The promotion committee is asking for your help to promote our awesome school! We have found that new families to our school mostly hear about WCS through word of mouth. We are asking that each family hand out one brochure and flyer to a family they think might be interested in Christian education (even dropping them in a mailbox would be great!). If you would like more copies, please contact the office. A flyer is attached if you want to send it electronically. Thanks for your help!
