## SCHOOL NEWS ITEMS

### Remote Learning

We have moved to remote learning as directed by the province. The staff is working hard to make things as convenient as possible for parents and students during this time.

On Monday and Tuesday the teachers will provide remote learning through live chats, recorded videos, Google Classroom and paperwork sent home last week.

On Wednesday, we will have a break. This is the day parents are asked to drop off completed homework, and pick up new homework from the school between 10am and 3pm. If you cannot make it during that time, please contact the school for other arrangements. There will be a Dresden pick up after 5pm on Wednesday for those who live in the area.

Thursday and Friday, we return to teachers providing remote learning as described above.

Parents are encouraged to reach out if they have questions, or experiencing issues. You are asked to contact us during day hours as much as possible.

Thank you for working **TOGETHER** in our common goal of educating our students.

### Weekly Devotions

Mr. Charron will post a **devotional on Wednesday morning for the entire school.** Please watch for it!

### Remote Spirit Week!

During remote, there are simple daily activities the students are asked to participate in for fun. Please send us pictures or videos of your children that we can post on Facebook and show that WCS is active and doing well!
