Strategic Plan

TARGET AREAS

Education

WCS students will graduate with an authentic faith that inspires them to impact their community.

Through progressive and Christ-centred education, students will be given the necessary tools for success in their next stage of academia.

Structures

By increasing enrollment by 2% every year and increasing membership and church giving, the board of WCS will strive towards balanced budgets. In doing so, we can allocate finances towards the capital campaign and become more strategic in our spending.

Faith

Students will demonstrate Christ-like character and impact their community. In collaboration with home and church, we will raise up the next generation of believers who will reach people with the gospel.

Growth

Students will be provided new spaces that promote twenty-first century learning experiences. By increasing our physical footprint, learning opportunities will increase, infrastructure and storage needs will be solved and the school will be more accessible to all.

SCHOOL NEWS ITEMS

Picture Day

School Picture Day (individuals) will be **this Friday, November 12** taken by LifeTouch; retakes will not be until the new year. This date is the only date they are offering in order to receive orders back by Christmas.

For Kindergarten students that do not normally attend school on a Friday, we encourage parents to bring them in for their picture, which will be done first at 9am.

Parent Teacher Conferences

We will be holding Parent Teacher Conferences on Thursday, November 18 from 3:40 to 8pm, and again on Friday, November 19 (PD Day) from 9 to 1pm. **Forms are coming home today; please return as soon as possible.** Thank you.

We encourage a parent from all families to attend these conferences. Please respect the Covid 19 rules and prescreen before arriving, sign in and wear a mask. There are arrows in the halls and will be a line to wait behind outside of the classrooms. Thank you.

A progress report for each student will come home at the end of this week.
