Sickness at School

There are several viruses affecting WCS right now; we had 35 students missing today. To avoid spreading the viruses at school, and for the **safety of all students AND staff**, we ask you to keep your children home when they're sick.

If your child has thrown up, they must stay home for 48 hours before returning to school. If they have had a fever, they are to stay home for 24 hours after recovery. If your child is not well enough to participate fully at school, please keep them home.

Thank you for following these common sense rules and guidelines.
